## WORK EXPERIENCE

2021

### Self-Employment

- Solo-entrepreneur of 2 small businesses.
- Handled every aspect of a business from executing a business plan, business administration, social-media marketing, and achieving e-commerce and retail sales.
- Bootstrapped by capitalizing on Google to learn everything and leveraging on social-media to promote my businesses.

2020

### Finance Executive in Maja Solutions Sdn Bhd

- Founding employee of the finance department, responsible for every financial and accounting matter of the company.
- Responsible for the full set accounts and publishing of company financial reports for auditing, application for MSC Status, and management usage.
- Exposed to tremendous learning about the start-up scene and IT industry.

2020

### Finance Analyst in Shell Business Operations

- Part of the Credit Team in Shell SBO.
- Involved in credit collection for clients in countries in the Middle East Region.
